

Thank you for attending this year's Back 2 School Blast. We hope you have enjoyed your time here and have been able to get most of the supplies your child needs for the new school year.

## About Kids 4 Christ

Kids 4 Christ is a Christian non-profit organization dedicated to opening Minds, Hearts, and Lives to Jesus. K4C accomplishes this goal through Bible classes, an academic after-school program, mentoring ministry, and events like this one. K4C is community supported, relying fully on God and the generosity of individuals, churches, and local businesses.

## Kids 4 Christ Activities & Events

### *KidsFirst Bible Classes / Thursdays 6:00-7:30*

KidsFirst is the original activity offered by Kids 4 Christ. Every Thursday buses pick up children age 3-14 from all over LaFayette and bring them to K4C. Attending children are served a full meal, have a short recreational time, and participate in age-appropriate Bible classes.

### *Cool After School / Weekdays After School Until 5:00*

Helping children make the most of their existing potential, K4C offers an after school program for kids struggling with grades. Cool After School's homework help and tutoring is offered every afternoon after school for children in 1st through 5th grade who attend school in Walker County. To participate in Cool After School, parents must fill out an application to have their child added to a waiting list.
